The yearbook is our most treasured memento of the school year. Its pages record our participation in classes and activities. More than that, pictures of our friends, which will become priceless with time, are preserved forever.

The Green and White Staff worked many hard hours to produce an outstanding book. The Editor, Doug Reilly, and Co-Assistant-Editors, Jane Bucknell and Mary Lou Ruggles, with all the staff worked "above and beyond the call of duty" to meet the deadline that plagues all editors. A much needed helping hand was given by our sponsor, Mr. Henry J. Mattson.

This organization is one of the most important in our school. The beautiful music they produce has attained, for our school, many awards in marching as well as in concert work. The near sixty members of the band think it is a real honor to work under the outstanding leadership of Mr. Larry Rolfe.

Again, this year, Mendon has been host to approximately 900 band students from Class D schools in their district contest. This, also, is an honor for the whole school as well as the band.

Junior-Senior Prom

An evening of enchantment for Junior and Senior students came one night last May with the Junior-Senior Prom. Dancing to the celestial music of Larry Rolfe's Orchestra, the dazzling couples promenaded around a Pacific Island, under swaying palm trees, and near an oasis of clear blue water. Encircling the gym, depicted as a South Pacific Island, Blue Hawaii, the couples were enchanted with the tropical scene of that unforgettable evening.
