Class History

In our Freshman year we entered high school with seven new students. These were Dale Kline, Art Kline, Art Roberts, Pat Stone, Mary Hampton, Pat Barnett, Cornelius Bontrager, and Joe Yoder. Our officers for the year were President, Sharlene Batten; Vice-President and Student Council Representative, Jane Bucknell; Secretary, Mary Lou Ruggles; Treasurer, Harold Birr and our class advisor was Mrs. Weires. We were initiated into high school by the Sophomores who gave us a party which we returned. Coming into high school we were given a choice of subjects and many went out for extra curricular activities. The year ended with a picnic at Milhan Park in Kalamozoo.

During our Sophomore year we had the great fun of initiating the Freshmen. Our officers were President, Harold Bennett; Vice-President, Nancy Pippitt; Secretary, Jane Bucknell; Treasurer, Dick Foltz; Student Council Representative, Harold Birr and our class sponsor was Mrs. Fudge. During this year we lost several students. They were Art Roberts, Joe Yoder, Dale Kline, Don Bruecks, and Phyllis Dombroski. As money making projects we sponsored the "Snow Ball dance for the public. We also gave the M.E.A. Dinner which was a great success. Our class had fun selecting our class rings during this year. We ended the year with a picnic at Silver Beach in Benton Harbor and St. Joseph.

Our Junior year was another big year as we received our class rings soon after school started. "Seventeen is Terrific" soon followed. This was our play and it was a success. "South of the Border" was the theme of the prom which we gave in honor of the Seniors. Two new students joined our class. They were Fred Airgood and Linda Flack. We lost Donna Happel, Roberta Howe, Joel Crabtree, Mickey Neal, and Pat Barnett. Our class officers were President, Mary Lou Ruggles; Vice-President, Mary Hampton; Secretary, Joan Schmitt; Treasurer, Sharlene Batten; and Student Council Representative, Harold Birr. Our class advisor was Mr. Rolfe. The year ended with a picnic at Milham Park in Kalamazoo.

We began our last year of high school with the loss of Mary Hampton and a new student, Alice Hanson. Our officers were President, Harold Bennett; Vice-President, Joyce Schmitt; Secretary, Mary Lou Ruggles; Treasurer, Linda Flack; and Student Council Representative, Joan Schmitt. Mr. Rolfe was our class advisor. Some of the big events of our Senior year were our Senior pictures, "If Mother Only Knew", which was our play, the prom (which everyone enjoyed), Senior trip, and a picnic at Milham Park which ended the year. The eight of us who have spent all of our school years at Mendon, along with the rest of the Senior class are sorry to be leaving. We hope that the future graduated will enjoy their school days as much as the class of 1955.

Senior Class Will

We, the Senior Class of 1955, being of sound (?) mind and body do hereby declare this to be our last will and testament.

First: We leave to the Juniors all our old pencils, books, paper and erasers to be put to better use than we made of them.

Second: We leave nothing to the Sophomores; they have everything they need.

Third: To the Freshmen we leave our shining examples with the hope that they will be as good a class as we were (just ask the teachers!).

Fourth: I, Fred Texas Airgood, leave my height, short hair, and basketball ability to Robert Gentry and my car and my little black book to Emerson Ladd.

Fifth: I, Marilyn Batten, leave my ability to roll with the bass drum to Sharon Batten and my old chewed up clarinet reeds to anyone fool enough to take them.

Sixth: I, Sharlene Batten, leave my quiet, pleasant personality to Karen Milhollin to be put to use.

Seventh: I, Harold Bennett, leave my liking for football to Rodger Hughey.

Eighth: I, Harold Birr, leave my bumps, bruises, and ambition to the 7th and 8th Grades coming up.

Ninth: I, Audrey Campbell, leave my ability to talk in third hour study hall to Marlene McCain.

Tenth: I, Jane Campbell, leave my loud cheering voice to Betty Schmidt and my bubble gum to Jerry Dalman who gets it anyway.

Eleventh: I, Linda Flack, leave my cheerleading position to Phyllis Yeomans and my shiny new Baritone Sax to Tom Fitzstephens to be handled with loving care.

Twelfth: I, Dick Foltz, leave my ingenious excuses for being tardy to Clifford Dick.

Thirteenth: I, Raymond Griffith, leave my ability to get along with Mr. Mattson to Clark Huckendubler.

Fourteenth: I, Alice Hanson, leave my long eyelashes to anyone who knows how to use them.

Fifteenth: I, Max Knauss, leave my ability to get in agriculture class after the bell rings to anyone who thinks he can pick Mr. Locke's lock.

Sixteenth: I, Lonnell May, leave to my brother, Ray, the ability to get a girl.

Seventeenth: I, Nancy Pippitt, leave all my worries and headaches over the Hi-Lite to next year's Hi-Lite Staff with a bottle of aspirins.

Eighteenth: I, Mary Lou Ruggles, leave my cast to anyone who likes to collect autographs.

Nineteenth: I, Joan Schmitt, leave my chair in Band to anyone who can get it and keep it.

Twentieth: I, Joyce Schmitt, leave my ability to scatter music to Linda Garman and my tired-out muscles from setting up Band to Helen Phenicie.

Twenty-First: I, Pat Stone, leave my laziness to Mr. Locke.

Twenty-Second: I, Phil Zinsmaster, leave all the dirty pots and pans in the cafeteria to Ron Mason.

Twenty-Third: I, Maurice Nicholas, just want to leave.

We hereby appoint our Superintendent, Mr. Robert C. Meggison as the executor of this our last will and testament in the faith that he will guard our trust with the patience and understanding that he has shown us through our high school years.

Date: May 28, 1965
Event: Reunion, Class of '55
Place: Capistrano, California

The class of '55 has gathered on the shores of this renowned Pacific coast hamlet, to witness the return of the swallows, and to have their class reunion. The planning committee felt this set-up would enable the Class to kill two birds with one stone. The reunion banquet is being held in the world famed diner - The Swallow-Tail Inn. Let's look in and see who's seated at the banquet table.

First we see Harold Bennett - now a eminent metallurgical engineer. His recent discovery of an element - Benadium - has completely startled the world's greatest scientists. Bennett found this element in the seeds of a tangerine. Some 10,000 bushels of tangerines have been consumed by Bennett since his graduation.

The emcee for the evening and seated at Bennett's left is Dick Foltz. At present, he is the owner of a tin mine in Bolivia. He is also manufacturing robots by the thousands. No use has been found for these mechanical men - but at least it keeps his tin mines working. Next to tycoon Foltz is Fred Airgood. Fred in the past 10 years has been crusading the world in the cause of basketball and is the coach-owner of the only pygmy basketball team in the world.

Nancy Pippitt a reporter won acclaim last year when she did on-the-spot reporting of the fire in a rubber plantation in Brazil. Associated Press, fearing that she might not arrive at the scene in time, sent carloads of rubber tires to the plantation to keep the fires burning until Miss Pippitt could arrive. Occasionally Miss Pippitt turns to converse with Joyce Schmitt and Joan Schmitt who are working as industrial nurses in Aunt Jane's Pickle Factory.

Maurice Nicholas and Phil Zinsmaster are partners in a truck farm enterprise in Iowa. Phil has just sold his rights for a new hybrid, the pomato. This vegetable, a cross between a tomato and a potato, will be put on the world market for the first time. Then there is Marilyn Batten now a nurse whom Dr. Schwietzer has summoned to Tanganyika to work with him. She has already ordered her elephant which will be waiting to take her into the heart of the jungle when she arrives at Zanzibar next month.

Harold Birr, industrial engineer, for the Otis Elevator Company - has won recognition for the new elevators he installed in the Pentagon - these elevators go side ways instead of up and down. Seated next to Birr is Miss Pat Stone. She is a protegee of Lillie Dache. Miss Stone premiered her latest chapeaux in France - last month. It's gabardine beret with 2 tassels - one converts the hat into an umbrella, the other causes a pair of ear muffs to unfold on either side.

Max Knauss works for Bausch and Lomb. He is telling how he's credited with having ground the lens for the telescope on Mumby Hill, to Miss Stone. Next we see Lonnelly May and Ray Griffith, Lonnelly has just completed some under water photography for Walt Disney. His film gives to the world, for the first time, the life cycle of the deep sea algae. Ray a test pilot for Boeing Air Craft, has won esteem for his non-stop flight around the world in a helicopter.

Also comparing notes, we find Jane Campbell and Linda Flack, Linda is a court reporter for the U.S. Supreme Court. She is the only known reporter who can type with one hand and take shorthand notes with the other simultaneously. Jane is an appliance demonstrator for General Electric. She is on the west coast demonstrating a new General Electric product - Electric roller skates.

Mary Lou Ruggles is a buyer in the dress department of Marshall Field's French room, sales reached an all time high last spring when she introduced a new dress fabric with detachable polka dots. Audrey Campbell is the proprietor of the C.C.C. - Campbells' Candy Citchens. Her latest delicacy is lemon, peppermint fudge.

"SEVENTEEN IS TERRIFIC"

"Seventeen is Terrific", the Junior play of 1954 revolved around Chuck Allenby (Harold Bennett) in a life and death struggle to make \$5.00 to take Ginny (Audrey Campbell) to the Spring dance. It was a very entertaining play, put on by an energetic group of students, the Juniors, who all agree "Seventeen is Terrific".

WORKING IN CONCESSION STAND.

Our Junior year has been full of fun and many activities. Class rings arrived and we soon noticed many new "steadies" around school. We have had bake sales, a skating party, cake raffles, candy sales, paper drive, sold wrapping paper, Junior play, cake walk at carnival, and concession stands for our money making propositions. The highlight of our Junior year was the prom.

THIS IS NO BEAUTY CONTEST TOM.

The spirited Sophomore Class started the year by initiating the Freshman students, and giving them a party. Cake raffles and candy sales together with many other money making schemes, have made our treasury grow. We have ordered our class rings, and we are looking forward to receiving them in our Junior year.

Eighth Grade

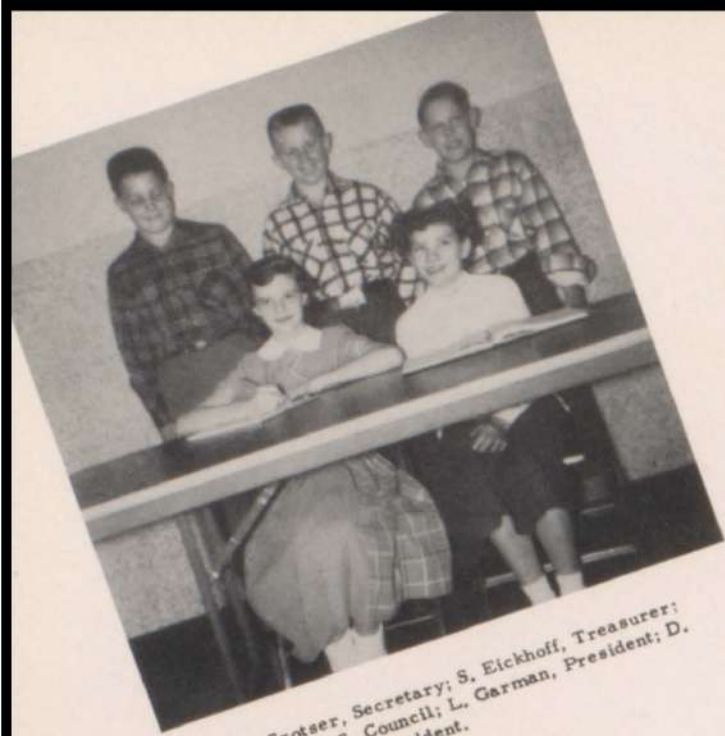

We all hope our future years in high school will be as much fun as our eighth grade. A going away party for Marilyn and Doug Raber was given by our class, and we also had a Christmas party. We have class members taking part in band and little league sports. Our treasury has been enlarged this year by several candy sales.

Buenas veces! Senoritas hermosasy senores bonitos!! The prom given to last year's graduating class by the Seniors of 1955 featured a Mexican touch with the theme "South Of The Border". The dance was held amidst a setting of large sombreros, desert cactus, and under a balloon-filled sky. Senor Larry Rolfe's orchestra supplied the music which was enjoyed by all. Preceding the dance a dinner was served. The Juniors honored the Seniors, and the Sophomores served.

Student Council

The Student Council, under President Harold Birr, provided fine entertainment throughout the year. The Rhythm Aces drew the biggest hand of any of the assembly programs. We also enjoyed the Hawaiian music by the Galvanos and the sound effects by the Allens. Noon movies helped the treasury as did the skating party. The Ping-pong tournament provided much interest and excitement.

Hi-Lite

Our school paper, the Hi-Lite, has been very popular with the students. Nancy Pippitt, the editor, has spent many hours along with her staff collecting information and writing articles. The Hi-Lite contains humorous, interesting articles, sports events, club news, student interviews, jokes, and high school gossip.

Band

OUR BAND DIRECTOR
Mr. Rolfe

The marching band with Barbara Cooley as drum major has had a very busy but successful year. The band entertained at the St. Joseph County Fair, and performed at the football games. A first division was received at the marching contest held in Three Rivers. Band Day at the University of Michigan with the Michigan vs Iowa game was full of fun and excitement.

Our concert band has been very active this year. A Christmas concert was given by the band which was greatly appreciated by all who attended. Mr. Meretta from Western Michigan College spent a morning working with us. Students from our organization participated in the solo and ensemble festival. We also had six members appear with the "All-Star Band" at Dowagiac. Many sectional and practice sessions were held when the band was preparing for the contests. We wish to thank Mr. Rolfe for his untiring efforts, services and helpful guidance in making this a successful musical year.

MRS. CROSTER, CHAPTER MOTHER

The members of the Future Homemakers of America with Jane Campbell as President have had a very active and enjoyable year. Both the formal and informal initiations were full of fun and excitement. A style show which featured many lovely clothes and girls proved very entertaining. Skating and tobogganing amusement and sport for all attending an outing at Echo Valley. We sponsored a bake sale to raise funds, and we co-sponsored the "Hog Growers Dinner" with the Pep Club. A trip to Grand Rapids was very enjoyable with one girl running for state office.

VICTORY CAKE

The Pep Club was organized for the purpose of promoting good sportsmanship, school spirit, and to help the cheerleaders in putting on skits for the team and the amusement of the students. Our club started out as a small organization in the 1953-1954 school year, taking the place of the Girls' Club. The membership has increased, much to the gratification of the cheerleaders, during this past year. We helped pay for the new cheerleader uniforms. We earned money by sponsoring a cake raffle and serving a dinner for the "Hog Growers".

Varsity Club

This year our Varsity Club, which is made up of boys who have won a Varsity letter in any sport, has participated in several projects. We gave a Carnival to which the public was invited. We also had a clock-radio raffle and a cake raffle. Our pot-luck supper was enjoyed greatly by all who attended. The Varsity letters for the boys and the cheerleader's letters are bought by our club. We are very proud of the "warm-ups" we purchased for the basketball team.

Our Safety Patrol has tried to keep our school free from danger and promote good will among the students. They patrolled the street corners by the school during Safety Week. They see that the students keep to the right on the stairways, and they try to eliminate loitering in the halls. We are especially appreciative of the help given by the grade school students.

HAROLD BIRR, CAPTAIN

Football

Our football team under the very capable direction of Coach Ellinger was tied for second place with Schoolcraft. We beat White Pigeon, last year's , defending champs. Harold Birr lead our team as a very competent captain. Max Knauss received an award for the most improved player. We were proud to have Harold Birr and Mac Knauss on the Class D "All-Star" team of Southwestern Michigan. Bill Spence was chosen by his fellow teammates as next year's captain.

Reserve Basketball

Mr. Mattson has performed a very competent job of coaching the spirited Reserve team. The team was made up of all new fellows this year. Although they lacked height and experience, they were a very eager and enthusiastic ball team.

The Mendon "Green Hornets" have had a very successful year. They have provided many spectators with thrills and excitement. Fred Airgood set a new gym record with 39 points. Mendons' victory over Marcellus was the most exciting game of the season. For this victory the fellows were rewarded with a beautifully decorated cake. New "warm-ups" and basketball uniforms added color and class to our championship team.

Cheerleaders

We started the year with six cheerleaders but Mary Lou Ruggles broke her leg at the White Pigeon football game so we had to cheer the rest of the year without her. For our football uniforms we wore V-necked sweaters and green corduroy slacks. During the football season we decorated the goal posts, made decorations and sponsored a cake raffle.

We had to get new basketball uniforms and we decided to have them custom made. They were made of green and white reversible corduroy skirts with white corduroy blouses. We wore megaphones on the front of our blouses. The Pep Club, Varsity Club and the Student Council helped us to pay for the uniforms. During the basketball season we sponsored pep sessions, decorated the halls and gym and led the cheers at all the games. We wish to thank the student body, faculty, Pep Club and Varsity Club for the support they gave us this year.
