MENDON COMMUNITY SCHOOL

MESSAGE FROM THE SUPERINTENDENT

Congratulations to the Class of 1959 for having reached an important milestone of your life. Graduation from high school marks a distinct accomplishment for each one of you, a goal toward which you and your parents have worked long and hard. You may be justly proud of your success.

Your general education for good citizenship carries with it responsibilities you must not ignore. Your rich heritage of a free society was won through fearless courage, hard labor, and even the sacrifice of human lives; it is yours only so long as you protect it; this is your responsibility as a citizen of the United States.

I wish you every success in your future endeavors and if the school can at any time be of assistance to you, feel free to call upon us.

CLASS MOTTO - We finish to begin.

We entered high school as inexperienced freshmen. During our first two years in high school we had several money-making projects. We sponsored candy sales, bake sales, cake raffles, and also sold Hornet sweatshirts. Our Junior year was filled with much activity. We were the participants in the yearly magazine drive. Our major fund raising campaign during that year was the Junior Play, "Off the Track." We enjoyed participating in this new adventure and we learned many worthwhile things as a result. The most important and enjoyable experience was that of the Junior-Senior Prom. We, as Juniors, were hosts to the Seniors. We chose for our theme, "Stairway to the Stars."

As a climax to our previous years in high school we became Seniors. As Seniors, we had to be an example to the other grades. We were now in charge of the Concession Stand during games and other school activities. The Senior Play this year was "Beans for Breakfast." This proved to be an enjoyable experience. As Seniors, the entire year was looked at with mixed feelings toward the Senior trip, Baccalaureate, and Commencement. For our Senior trip, we chose the boat trip to Niagara Falls.

STUDENT COUNCIL

This year the Student Council sponsored the Homecoming Dance, conducted locker inspection in an effort to help keep our school clean and neat. During the winter months the noon dances were sponsored by the Student Council and this year we bought records with the money that was made from the dances. This provided the Student Body with a better selection of current records. The ping-pong tournaments were sponsored by the Student Council during the month of March.

Our football team under the direction of Coach McNally and Coach Mitchell started the season off with a victory over Coldwater St. Charles. When we started league play the team suffered some injuries.

Next year with only the loss of three Seniors our team should be well up in the league standings.

* Non-League Games

The Varsity under the coaching of Mr. Robert McNally won six and lost ten games for the season. Next year our team should be well up in the league with the return of five lettermen. The team showed much enthusiasm and improved as the season progressed.

* Non-League games

The Reserve Varsity under the coaching of Mr. Roger Mitchell had a poor season. The team lacked experience, but they showed lots of aggressiveness. The boys have worked hard all season and I think we will see a big improvement next year.

PROGRESS ---
WITH PLASTIC
FOR BETTER LIVING

The growth of the HAAS CORPORATION in Mendon, Michigan is typical of the growth of the plastic industry.

Every day more and more uses are being perfected for plastic materials. Plastic products now share a big part of the everyday life of All American Families.

The constant demand for new and better plastic products means a challenge to the HAAS CORPORATION. The HAAS CORPORATION has accepted this challenge by continually bettering their plastic products and production methods.

This means better and more economical living for you.
