A black and white photograph of a Dutch windmill with a globe in the foreground. The windmill is a traditional wooden structure with a thatched roof and four large, lattice-patterned sails. It is situated on a raised wooden platform. In the foreground, a globe on a stand is positioned on the right side. The word "SENIORS" is written in a stylized, italicized font across the middle of the image, overlaid on a white rectangular background.

Quill and Scroll

The Quill and Scroll is a national honor society for high school journalists. The qualifications for membership are as follows:

Members must be juniors or seniors in high school and must be in the top one-third of the class. They must have done outstanding work on either the school yearbook or on the school paper and be approved by the head council of the Quill and Scroll.

ORGANIZATIONS

STUDENT COUNCIL - L. to R., FRONT ROW: Steve Stoldt, Mr. Fritts, Roger Huckendubler, Norman Birt, Donald Stumpf. BACK ROW, L. to R.: Genna Rae McNeil, Marie Miller, Delbert Barton, Dave Minger, Vance Morey, Priscilla Boyd, Mary Jane Haas, and Patty McNeal.

President - - - - - Roger Huckendubler
 Vice President - - - - - Norman Birt
 Secretary-Treasurer - - - - - Don Stumpf

The Student Council has been very active in all phases of School activities. They have sponsored many interesting and educational assemblies, conducted locker inspection, sponsored Homecoming activities, and dances during the noon hours of the winter months. They should certainly be well thought of for the untiring efforts they have put forth so that we may have a better school.

The success of the Mendon High School Student Council is due largely to the work and fine spirit that this year's student council president put forth. Without his help the student council could not have been nearly so successful.

BACK, L. to R.: Sue Eickhoff, Betty Roberts, Carol Sue Foster, Cheryl Green, Barbara Smith, Ruth Schmidt, Pat Snyder, Mary Snyder, Janice Adams, Betty Avery, Rosemary Lang, Donna Salisbury, Bonnie Buck, Glenna Griffith, Shirley Mathews, and Peggy Lewke. FRONT: Virginia Blood - Treasurer, Mrs. Wells, Jean Crotser - President, Rosemary Harsh - Secretary, and Betty Anderson - Vice President.

The Future Homemakers of America had a very active year. In October the girls attended the Region five meeting in Dowagiac. In April they sent two representatives to the State meeting in Grand Rapids.

Meetings were made enjoyable by many interesting speakers. At one meeting a hair-stylist described the new hair styles. At another, Mrs. Barnard, a former State President, spoke on the meaning of F. H. A.

Officers for the 1960-61 school year were installed at the Spring Style Show in May.

Homecoming

The crowning of our Homecoming Queen took place during the half-time of the Mendon-Constantine football game. The lovely girls were brought on the field in four convertibles as the band played the "Sweetheart of Sigma Chi." The crowd then saw Roger Huckendubler, President of the Student Council, crown the senior candidate, Miss Sandy Simone, as Queen. Her attendants were Kathy Nagel, Junior; Patty McNeal, Sophomore; and Ann Stienbarger, Freshman.

*Prom
1960*

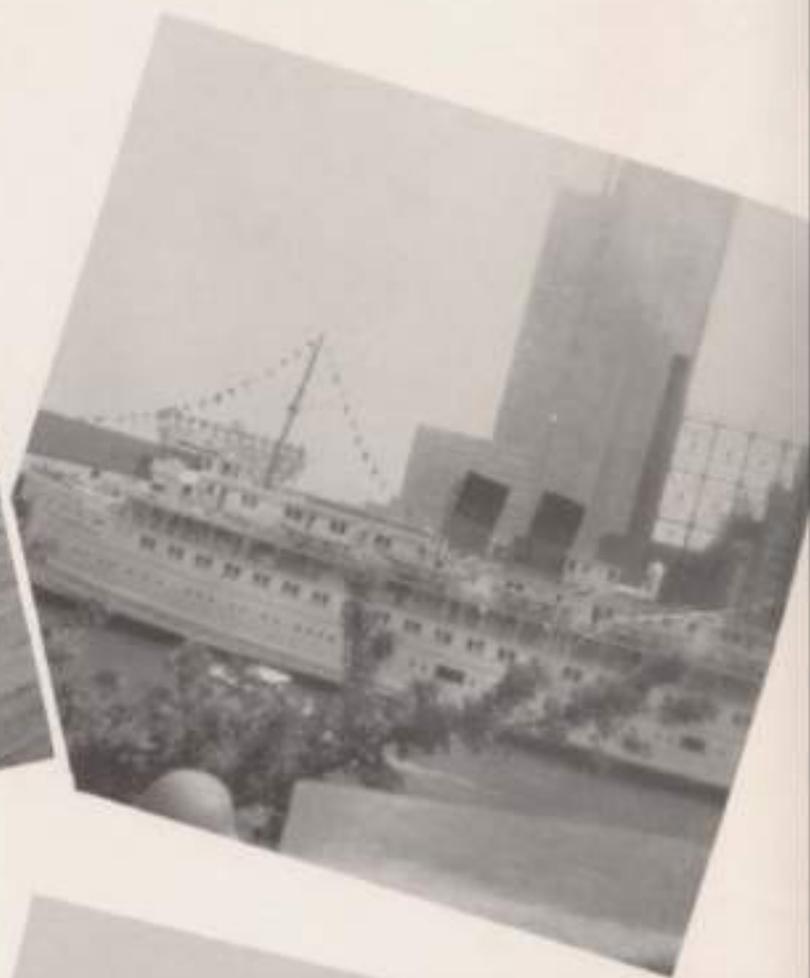

The Junior-Senior Prom was held on May 7. The smorgasbord banquet was at the Methodist Church and the dance was in the school gym. The theme was "An Evening in Paradise" with a south sea island setting. Bob Bornea and his orchestra provided the music. As a whole, the prom was a big success this year.

Senior Trip

The senior trip started with a bus trip to Holland on May 24. At Holland they boarded a special train for Chicago. Upon arriving in the "Big city" the seniors boarded the S. S. North American. They spent the night cruising Lake Michigan. The following day they toured the interesting spots of Chicago. The boat left Chicago at midnight and arrived in Holland at 1 p. m. on the 26th. Some of the outstanding memories of the trip include; the train ride, seasickness, and Mr. Wallach's flashlight.

Even though the Mendon Hornets only won three games this year they did show a great deal of strength against some of the best teams in the area. The team was honored by having several of the players named to the ranks of the all-league teams, and especially proud to have Bucky Carpenter named to the all-state team.

------	----	----

This year's Varsity team started the season off in fine style, winning four of their first five ball games. After the holidays the team played about average, finishing the season with a 8 and 8 record.

Next came the tournaments. Many did not expect the team to go far but they fooled everyone. Under the inspired leadership of Coach McNally, the team won the District Championship at Athens. They also won the Regional Championship at Battle Creek, the first for Mendon High School. The team was finally defeated in the Quarter Finals at Jackson by the State Champions from Bath. Many people commented that Mendon looked like the champions at the last game. Never before in the history of sports at Mendon High, have we placed a team this far in the tournaments.

There will be five graduating seniors this year. However, with a fine reserve team and four returning lettermen, next year's squad should do very well.

The 1960 baseball team, under the leadership of Coach Robert McNally, had a very fine season. The season was started with a 12 to 1 win over Schoolcraft. This was followed by wins over Constantine and Centreville. The game with Marcellus, however, was lost by one run in extra innings. The Hornets then came back to win over White Pigeon and Burr Oak.

The final game of the season was played for the league championship. We lost a close game to Colon and finished second in league standing. The Hornets had a 5 and 2 record for the season.

With the loss of only three seniors, Larry Garman, Larry Penn, and David Forbush, next year's veteran squad should be very strong.

**PROGRESS —
WITH PLASTIC
FOR BETTER LIVING**

The growth of the HAAS CORPORATION in Mendon, Michigan is typical of the growth of the plastic industry.

Every day more and more uses are being perfected for plastic materials. Plastic products now share a big part of the everyday life of All American Families.

The constant demand for new and better plastic products means a challenge to the HAAS CORPORATION. The HAAS CORPORATION has accepted this challenge by continually bettering their plastic products and production methods.

This means better and more economical living for you.

OBJECTS
OF
KIWANIS INTERNATIONAL

To Give primacy to the human and spiritual, rather than to the material values of life.

To Encourage the daily living of the Golden Rule, in all human relationships.

To Promote the adoption and the application of higher Social, business and professional standards.

To Develop, by precept and example, a more intelligent, aggressive and serviceable citizenship.

To Provide, through Kiwanis clubs, a practical means to form enduring friendships, to render altruistic service and to build better communities.

To Cooperate in creating and maintaining that sound public opinion and high idealism which make possible the increase of righteousness, justice, patriotism and good will.
