1965

Capital Appearance—The Beatles performed for a youthful audience in Washington on the night of February 12.

Opening for Juniors—These college juniors joined the Peace Corps' new summer project for six to eight weeks of training similar to that for regular Peace Corps volunteers. They later did surveying work near Tams, N.M. After graduation they will be sent to Latin America.

Ranger on Target—This is a photograph of the lunar surface taken by the Ranger 7 spacecraft prior to its impact on the moon July 31st. The area shown is about one and two-thirds miles on a side. The smallest craters are about 50 feet in diameter and 10 feet deep. Some of the large craters are about 300 feet in diameter.

Family Grieves—Gust Carlson, father of Dr. Paul Carlson, medical missionary slain by rebel troops in the Congo, dabbed at his eyes during a news conference in Los Angeles on November 24. He is flanked by his daughter and another son.

New Teen-Age Queen—Smiling Carolyn Mignini, 17, of Baltimore was crowned the new Miss Teen-age America of 1965 in Dallas on November 13.

World's Fair at Night—The New York World's Fair attracted as many visitors at night as it did during the day following its April opening. The nighttime lights set off the beautiful pavilions constructed by many countries.

Democratic Victor—President Lyndon Johnson won the 1964 election by the greatest plurality and per cent of the total vote in U. S. history. Johnson became President at the assassination of John F. Kennedy in 1963.

Barry's Battle for Votes—Sen. Barry Goldwater was surrounded by fans at Knoxville, Tenn., airport September 16 as he campaigned for the presidency on the Republican ticket. The conservative senator swept to a first-ballot nomination at the convention in San Francisco.

Nobel Prize Winner—Dr. Martin Luther King, Jr., right, was greeted by Richard C. Patterson, commissioner of public events, at Kennedy International Airport Dec. 16 on arrival from Europe. Dr. King was in Oslo to receive the 1964 Nobel Peace Prize.

National Events in Review—1964

Cards are the Winners—Roger Craig leaped on a group of teammates surrounding the pitcher Bob Gibson moments after the last out in the seventh World Series game won by the Redbirds over the Yankees, 7-5, in St. Louis.

I'm the Greatest—Cassius Clay whooped it up with his handlers after he won the world heavyweight title in Miami Beach in February. He was credited with a technical knockout of Sonny Liston when Liston failed to answer the bell for the seventh round.

Alaskan Quake—A whole line of cars rested about 29 feet below street level on a main thoroughfare in Anchorage the day following the disastrous earthquake on March 27.

Dedication

The staff of the 1965 Hornet would like to dedicate our yearbook to Mr. Harry Adams, Pres. of the School Board. Mr. Adams has been a member of the School Board for eight years. We feel his greatest contribution was the designing of the Mendon Crest which was officially adopted by the school in 1964. Now the Crest seems to be very much a part of Mendon High School and has been used on everything from class rings to sweatshirts.

Also we are grateful to Mr. Adams for his consistent support of our athletic events. We felt it would be appropriate at this time to make this dedication because we understand that Mr. Adams may not be with us next year.

Those wild African dances.

Sorry coach, but all of our shoes came untied.

A future scientist?

Studios group aren't they?

If John could only see me now!

Am I in the right place?

Even coach can't reach that one!

Gee! How lucky can one boy be? Cute isn't he?!

Such adoration!

Nothing like buttering-up the teacher!

My but they are hiring young teachers.

"ROYALTY REIGNS"

The annual Snow Carnival was held February 27, after having been postponed because of weather. Some ninety students left the school at 8 o'clock for a day of tobogganing, ice skating, snowman building, and face-washing contests at Echo Valley. Drenched and tired, we returned at 4 o'clock in the afternoon. That night Mendon won both the Reserve and Varsity Basketball games against Marcellus. This was followed by a dance in the all-purpose room with music provided by the "Hitch Hikers" of Kalamazoo. Sophomore Patty Jones and Senior John McClain were voted the 1965 Snow Carnival King and Queen.

Chou Listens—Red Chinese Premier Chou En-Lai held an earpiece as he listened to an address by the Soviet Union's new party leader, Leonid Brezhnev, during a meeting of world Communists in Moscow on November 6. Alexei Kosygin, Soviet premier, is at right.

They Died in '64—These world figures died during the year. From left are Prime Minister Nehru of India, General Douglas MacArthur of the United States and former President Herbert Hoover.

Stretcher Cases—Wounded white hostages and Belgian paratroopers were carried from rescue plane at Leopoldville after it arrived from Stanleyville November 24. The paratroopers descended on the rebel-held Congo city just as a massacre of hostages began, and their quick work saved the lives of hundreds.

New President—Foreign Minister Giuseppe Saragat (right) was formally notified in Rome on the night of December 28 that he had been elected president of Italy.

World Events in Review—1964

Alliance Talks—British Foreign Secretary Patrick Gordon Walker, left, talked with West German Chancellor Ludwig Erhard in Bonn on November 15 during efforts to find a compromise on a new nuclear force for the troubled Atlantic Alliance.

Pope Visits India—The 28th International Eucharistic Congress opened in Bombay, India, on November 28. In December, Pope Paul VI made the longest papal journey in history to attend sessions of the congress.

Winnie at 90—Winston Churchill acknowledged cheers of well-wishers who gathered outside the window of his Hyde Park home in London on November 30. The occasion was his 90th birthday.

Tokyo, Japan—William H. Mills (left) of the U. S. A., led Mohamed Gam-moudi of Tunisia across the finish line to win the Olympic 10,000 meter event on October 14.

Spongy Victory—A group of Viet Cong prisoners sat quietly in Camau last October while guarded by armed South Vietnamese troops. The prisoners were among those captured during a major battle on the Camau peninsula.

Reunions at the Wall—An East German mother embraced her West German children last November at the Helmstedt railway station after the border dividing East and West Germany was opened for the first time since 1961 for East Germans.

Change of Power—Alexei Kosygin, 60, left, and Leonid Brezhnev, 37, respectively, were named to be premier of the Soviet Union and secretary of the Communist party on October 15. They took over the posts vacated by the resignation of Nikita Khrushchev.

Space Team Welcomed—Cosmonauts Konstantin Feoktistov, Col. Vladimir Komarov and Dr. Boris Yegorov, left to right, waved to the crowd from an auto during their greeting in Moscow on October 19. The trio had just returned from a 16-orbit flight in space in the "Vokshod."
