JOURNEY 1980

This 1980 yearbook is a recording of the people, places, and events that made the 1979-80 school year at Mendon so special. The year as all years is one stop on the journey through life. The year ended. School closed. Some of us left these halls never to return. Others will be back to make another stop before they travel on.

Mendon High School
Mendon, Michigan

Find your direction. Set your course. The path is rough, the road may wind. The journey is long. You may want to run, but walk slowly. There is much to see along the way. And take comfort in knowing the best is still before you.
