

EIGHTY FOUR

Now And Forever

The first part of the document discusses the importance of maintaining accurate records of all transactions. It emphasizes that every entry, no matter how small, should be recorded to ensure the integrity of the financial data. This includes not only sales and purchases but also expenses, income, and any other financial activities.

The second part of the document provides a detailed breakdown of the accounting process. It outlines the steps from recording transactions to the preparation of financial statements. This includes identifying the accounts affected by each transaction, debiting and crediting the appropriate accounts, and ensuring that the accounting equation remains balanced.

The third part of the document focuses on the analysis of financial statements. It explains how to interpret the balance sheet, income statement, and statement of cash flows. It discusses the key ratios and metrics used to evaluate a company's financial health, such as the current ratio, profit margin, and return on equity.

The fourth part of the document addresses the ethical considerations of accounting. It highlights the importance of honesty, integrity, and transparency in all financial reporting. It discusses the consequences of unethical behavior, such as fraud and manipulation of financial data, and provides guidance on how to handle difficult ethical situations.

The fifth part of the document discusses the role of accounting in decision-making. It explains how financial information is used by management, investors, and other stakeholders to make informed decisions. It also discusses the impact of accounting on the overall performance of a business and the economy.

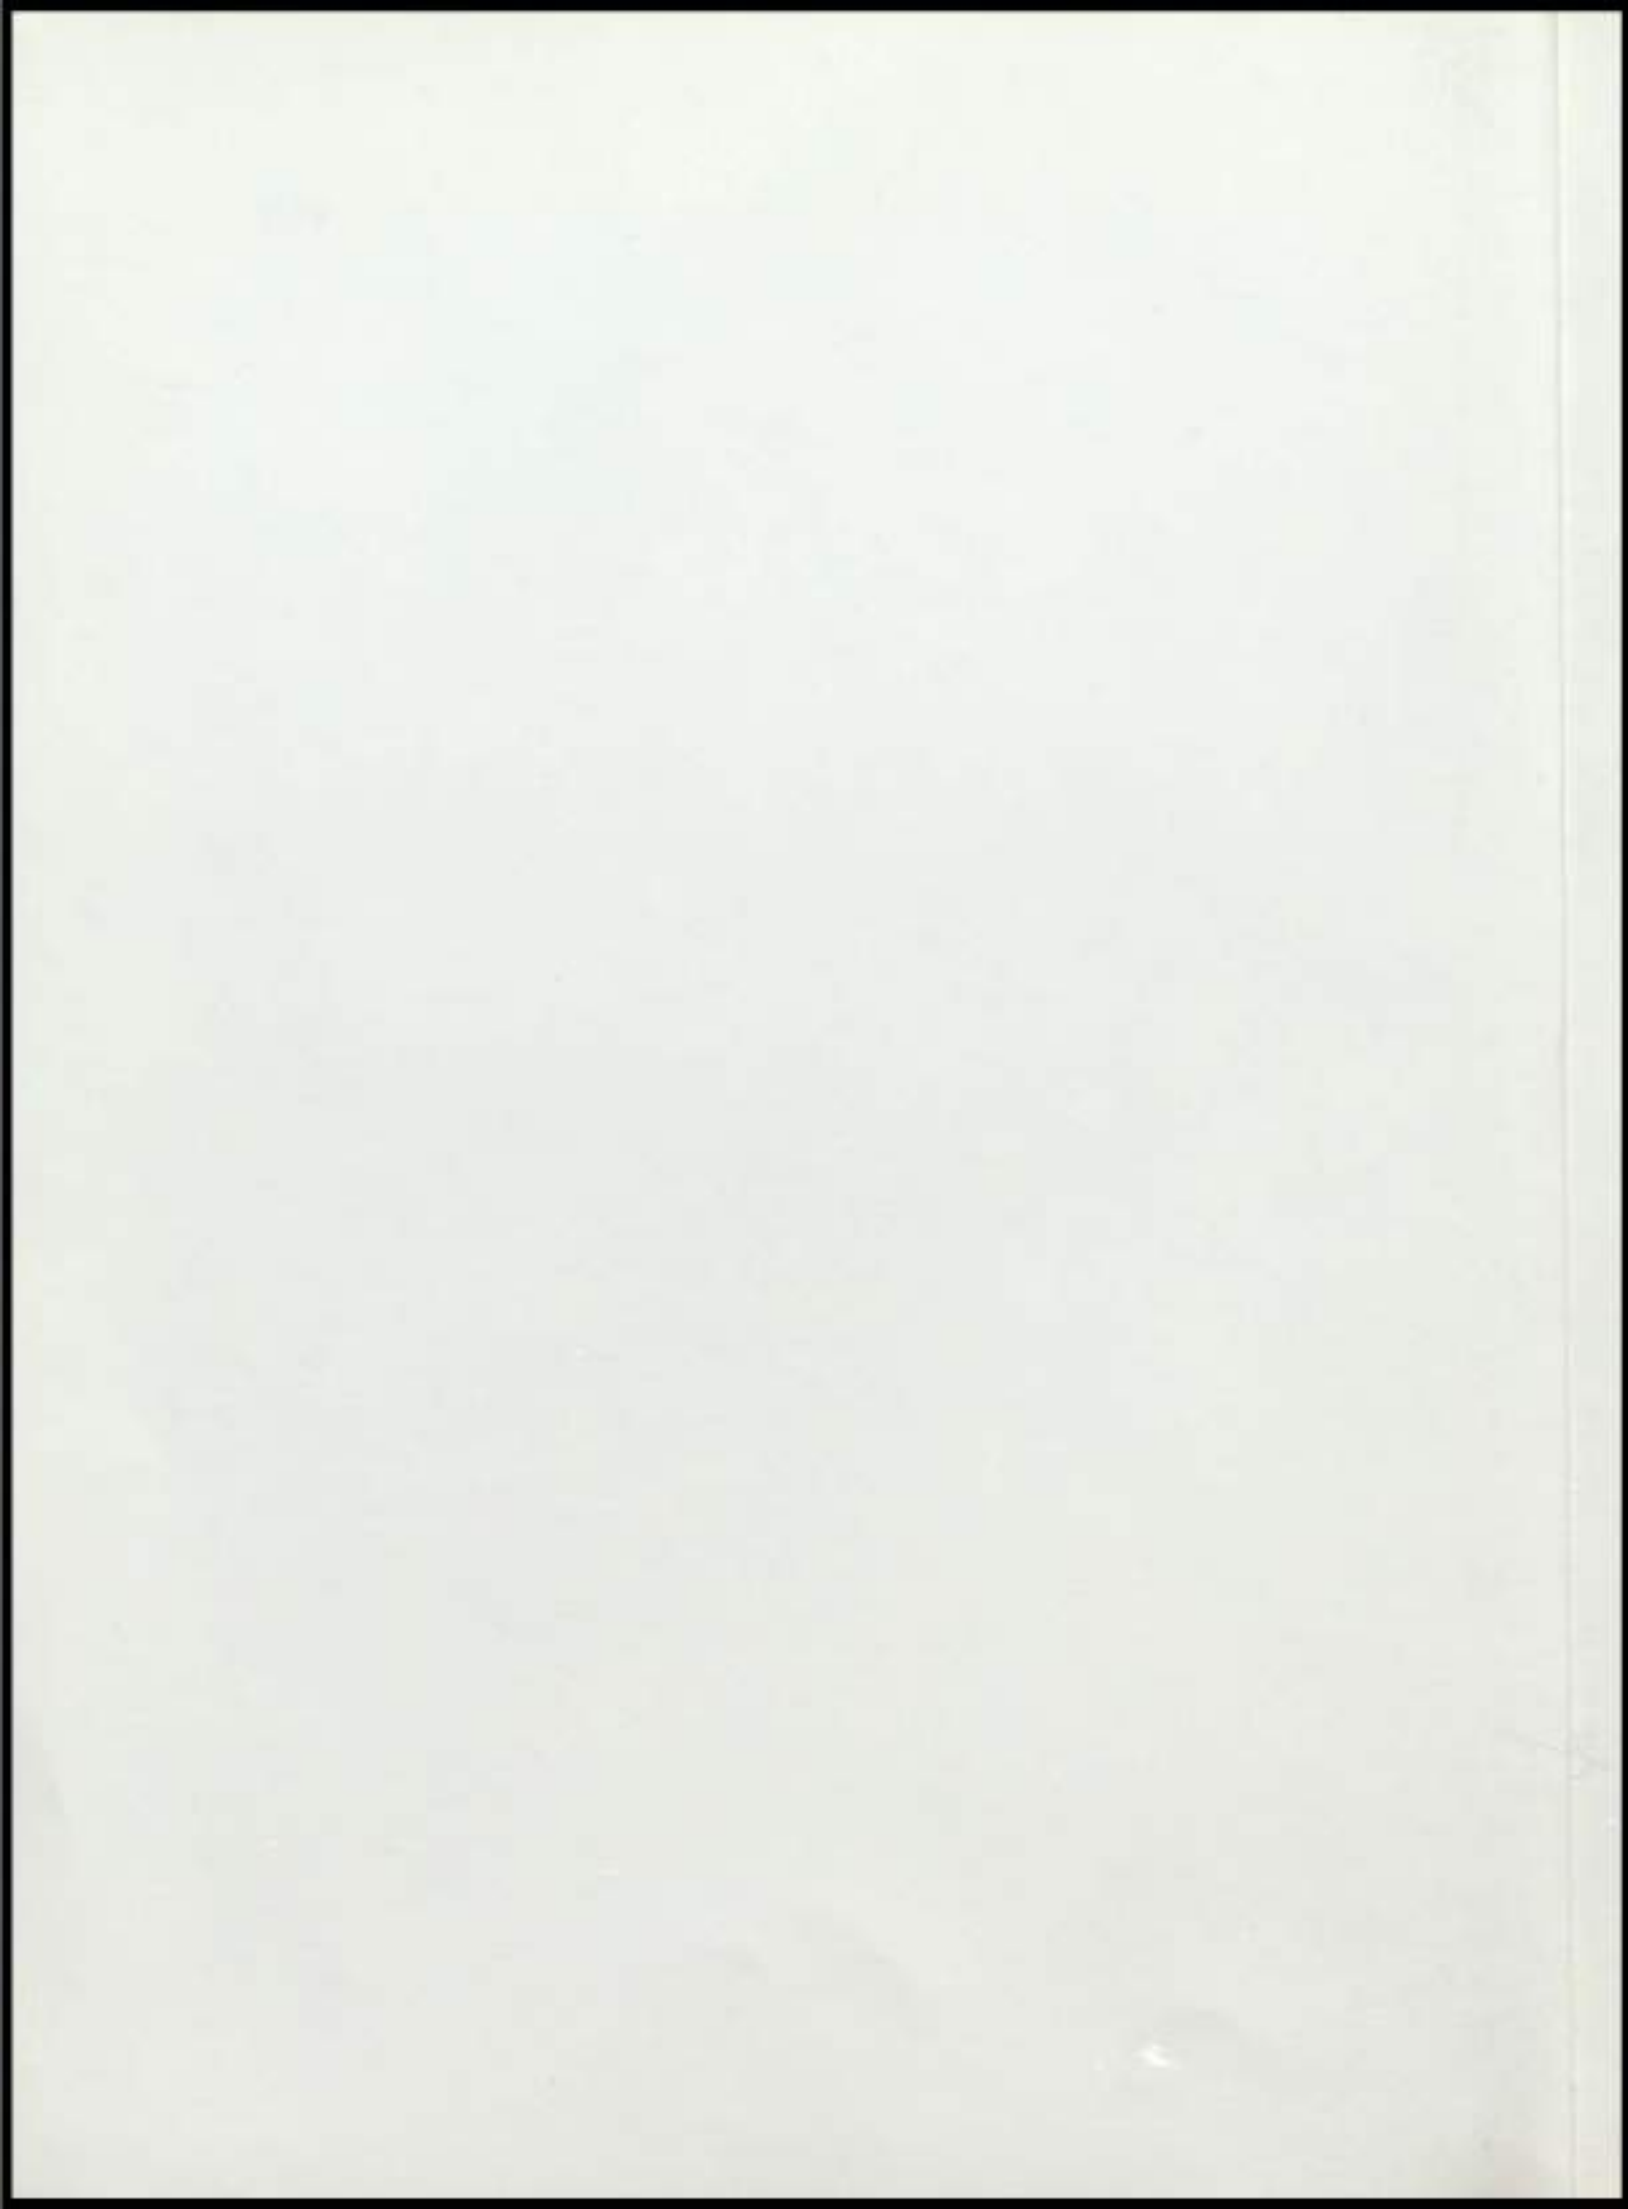

The sixth part of the document provides a summary of the key concepts and principles of accounting. It reviews the accounting cycle, the accounting equation, and the various types of accounts. It also discusses the importance of double-entry bookkeeping and the role of the accountant in the business world.

The seventh part of the document discusses the future of accounting. It explores the impact of technology, such as artificial intelligence and blockchain, on the accounting profession. It also discusses the need for continuous learning and professional development in this rapidly changing field.

The eighth part of the document provides a list of resources for further study. It includes books, articles, and online courses that provide a deeper understanding of accounting and its applications. It also provides information on professional organizations and certification programs for accountants.

The ninth part of the document discusses the importance of communication in accounting. It explains how accountants must be able to communicate complex financial information in a clear and concise manner. It also discusses the role of accountants in providing financial advice and consulting services to their clients.

The tenth part of the document provides a final summary and conclusion. It reiterates the importance of accounting in the business world and the need for accuracy, integrity, and transparency in all financial reporting. It also expresses confidence in the future of the accounting profession and its ability to continue to evolve and thrive in a rapidly changing world.

Now and Forever

1984 was a year when memories were made that we will cherish now, as we leaf through the pages of the yearbook, and forever, as we look back to our high school days at Mendon High School.

A very special thanks goes to Robin Jergens who took on an extra section of the yearbook when we were left in a pinch. A special thanks goes also to Lisa Cook who helped out by taking pictures for the book even though she was not a member of the staff. We want to thank, too, the STURGIS JOURNAL and the THREE RIVERS COMMERCIAL for contributing football pictures.

FOOTLOOSE IN FLORIDA

The seniors left for Florida on April 1st, 1984. They arrived in sunny Orlando, Florida at noon on April 2nd, after a long trip. Monday was full of fun and relaxation followed by a pizza dinner. Tuesday, the thirty five seniors and their chaperones, Mr. & Mrs. Morris and Mr. & Mrs. Bombrys, went to Epcot Center. Wednesday, the group went to Walt Disney World. Thursday, they spent the day in the sun at Daytona Beach. Later that night a group of the seniors went to Rosey O'Grady's. Friday the seniors packed up their gear and went to Wet and Wild for the day. The bus for Michigan pulled out at 5:00 pm Friday. After a long busride home, they arrived at 5:30 pm Saturday.

THE DREAM ENDS

Mendon's dream of two straight state football titles did not come true as the Hornets placed runner-up to the favored St. Ignace Saints. Mendon had a great year overall as they won 11 straight games before losing to the Saints. With this loss, the state's longest winning streak came to an end at 23.

Two Hornets were named to the all state team. Eric George was named 1st team running back and Tim Jones was named Honorable Mention at quarterback.

In the SJV the Hornets won their second straight League crown by going undefeated. The highlight of the season had to be the win over White Pigeon, 30-22.

Many Hornets were named to the All-League team. Tim Jones was named 1st team quarterback and Most Valuable in the League. Eric George was named to the first team offense as well as Brian Riley Buzz Griffith, Randy Cleveland, Jeff Martin, and Steve Shutes were named to the first team defense.

“To Those Who Dare:”

Today is passing
Tomorrow will dawn
The future will be here
Yesterday gone.

Lives will start over
To be lived anew
Leaving loved ones behind
To seek a new point of view.

Graduation brings memories
But also, much more
To us it brings great promise
Like we've never had before.

It gives us the chance to shape our lives
To create and be unique
Joy, success, and happiness
These, each of us must seek.

It is important to remember
Graduation is not a sad affair
For it is known the future belongs
Only to those who dare.

We must step out
And live with zest
For we are the class of '84
The One, The Only, The Best.
