The girls had lots of fun and continued to improve throughout the year. Even though they did not always score lots of points the girls played tenacious defense and were in every game right to the end. On the season, the girls actually outscored their opponents by 21 total points.

With half of the team returning next year, the J.V.'s can look forward to a bright future.

er, Denver's plans might change after Elroy gets a look at the
 rookie cornerback. Elroy says he's not sure if he'll stay in
 the Broncos' defense, but he's sure he'll be a key player in
 the emergence of rookie Bobby Humphrey. Elroy may not be
 himself from seeing Washington's strong defensive back.

Community Colleges

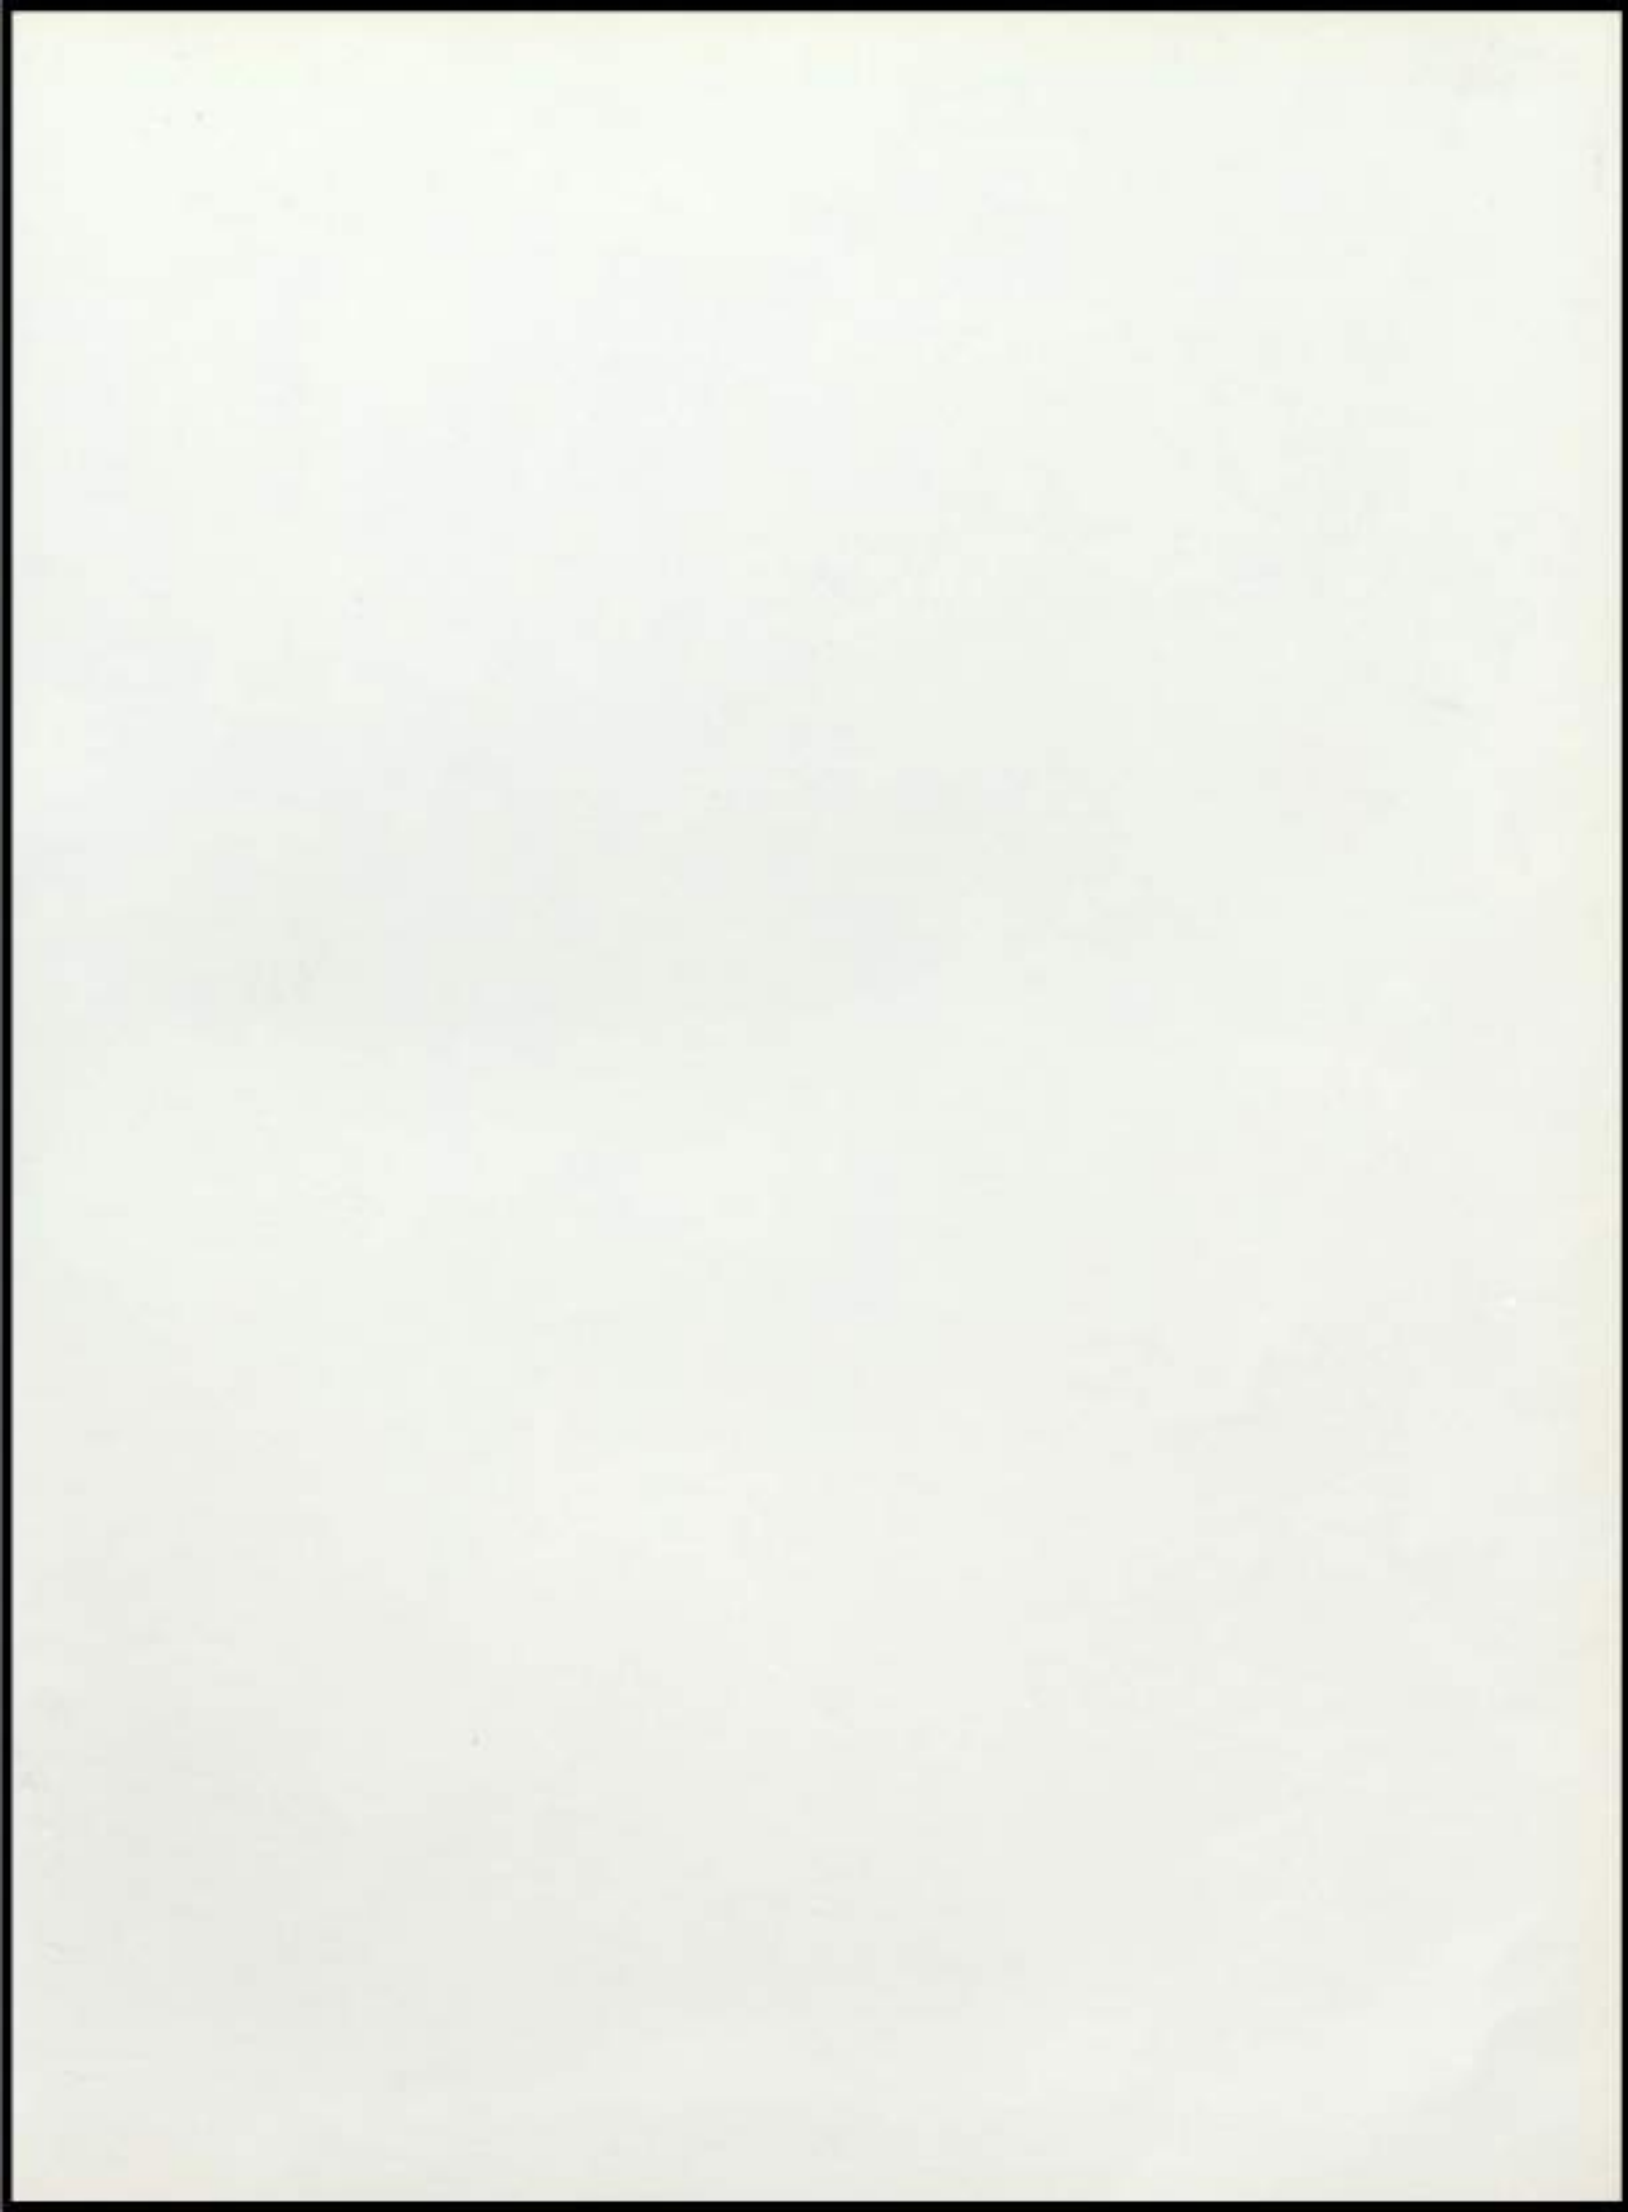

Where America Goes to College

- * 55% of all first time freshmen choose community colleges.
- * Over 5 million students attend community colleges across the country.
- * Community colleges eliminate the high cost of living away from home.
- * Tuition for community colleges averages about half the cost of public four-year colleges and universities.

*This fall.....go to school with America.
