# HORNET PRIDE !!

# AGAINST ALL ODDS!!!

## MENDON IS STATE CHAMPS

No one thought they would be there, but the 1991 Hornet football team arrived at the Pontiac Silver Dome on Saturday, November 30. Because they believed in themselves, they said they were going to win a state title and they did. This Hornet team loved football and loved what they were part of in the community. Because of the team's dedication and the community support, they accomplished their main objective AGAINST ALL ODDS.

The road to the dome was intense and began on a sunny Saturday afternoon in Mendon. The first team in line for defeat was the Indians of Athens. After the Hornets handily disposed of Athens, they moved on to the previously unbeaten Schoolcraft Eagles. The Hornets rolled over the mighty Eagles and left Ray H. Davis field with an exciting 14-12 victory.

This left one team between the Hornets and the Pontiac Silverdome, and the Hornets weren't to be denied. Once again they had to face an unbeaten team, but this time the team was known as the Aggies of Sand Creek. After a fourth quarter rally, the Hornets came through with a thrilling 14-8 victory. That gave the Hornets their second trip to the Dome in three years.

That was it, they had done it. No need to work any harder, right? Wrong! Mendon had the taste of a state title once before and nothing tasted sweeter. So, after a slow start, the Hornets of Mendon went to work and ripped through the next three quarters in route to a 30-14 victory over the Whiz Kids of Lake Linden Hubbel.

# SO LONG HOOP! GOOD LUCK!

2+2, that equals 4.  
Learn it, or head out the door.  
If you can't count and you can't cipher  
You might struggle all your life, er  
In your dreams he'll reappear.  
Hoop, the mathman we hold dear,  
Just ask your dad or ask your mom,  
He also made them learn it, Tom.  
That's why he said, on your first day,  
"Another, They don't go away."  
He yelled, he pleaded, he sought your best.  
He worked long hours without rest.  
Cuz, he's a teacher - one who cares,  
When you need him, he's always there.  
But now its time for him to retire,  
This gentle friend, we all admire.  
But around this town are many who,  
When faced with numbers, know what to do.  
We owe him much for all he gave,  
But one lesson we all should save.  
Hoop knew how to stretch a buck.  
Just like him, don't depend on luck.  
Good luck Hoop! We'll miss you!

## THE TRUE GENTLEMAN

THE TRUE GENTLEMAN is the man whose conduct proceeds from good will and an acute sense of propriety, and whose self-control is equal to all emergencies; who does not make the poor man conscious of his poverty, the obscure man of his obscurity, or any man of his inferiority or deformity who is himself humbled if necessity compels him to humble another; who does not flatter wealth, cringe before power, or boast of his own possessions or achievements; who speaks with frankness but always with sincerity and sympathy; whose deed follows his word; who thinks of the rights and feelings of others, rather than his own; and who appears well in any company, a man with whom honor is sacred and virtue safe.

# WHAT IS A SENIOR?

What is a senior? A senior is a student who feels like he has gone through too many years of school. He is ready to graduate, but he is not ready to go out and make it on his own. He wants to get out of high school, but he doesn't want to do the work to get out. He is confused about what the future will bring, and he is stressed from thinking about it. Yet, he tries not to let it get him too upset. A senior is also lonely because he has to establish his own identity and leave his friends, but he doesn't do that until he absolutely has to because he wants to be a part of the group. A senior is mainly scared because of all the things that he has to accomplish in a years time. A senior is a combination of many emotions and ideas.
