The Mendon Hornets Football team started early in June to work towards their victory in the Dome. Every game was played with the highest intensity. The team would have done anything to meet their goal (Pontiac Silverdome) and they did. With only one loss under their belt, the Mendon Hornets defeated McBain 7-0, November 26, 1993.

We were one of the lucky teams of cheerleaders, getting to cheer at the Silverdome. We were all ready for the players. We tried to make the halls and the fences as decorated as we possibly could. We either made the football players good luck treats or bought them one. I think we accomplished all we wanted to in having fun, and showing the players that they had much support.

J.V. Cheerleading

This team was really good together. They showed liveliness as much as possible. They would try their hardest to get their crowd into the game and support our J.V. football players. Be sure in seeing these girls on Varsity someday.

During this season we tried our hardest to prove to others that we as cheerleaders did do a lot and worked very hard at what we did. We had a very hard time at competition with a few teams that had been to more than five competitions before that one. But, we stuck by each other during the whole thing to show that we were tough as a team. We had fun and that was all that mattered to us.

Dr. Roger Schrock
Principal

We started fall of '93 with a new comptroller, Jan Griffith, and without a Principal. Dr. Schrock was hired, first as a temporary, but, later, as the regular Principal. He is very outgoing and into all our activities. Mr. Duke was hired as our Superintendent in the Spring. He, too, is very outgoing and can be seen in the halls talking to students and teachers. Jeannie Dalton is still Secretary to the Superintendent.

Mrs. Miller had a big change this year. We all helped her celebrate her birthday! Mrs. Lutz, secretary of the Athletic Department, was moved into the front office. The old guidance office is now the new computer lab.

Teachers pulling together!

We had several student teachers this year. Mr. Frisbie enjoyed having someone to help because as good a teacher as he is.

When a certain unnamed student flipped his truck keys and they went behind the lockers, our ever-helpful custodial staff was there to save the day, right, Jenny?

Mr. Guezke has a new secretary, Ginny Baker, and a new office, where the old computer lab was formerly located.

Keeping us fed!

PROM

Junior Senior Prom

To The Seniors

Another year goes passing by
Another prom is here
To some this brings a joyous smile
To others, brings a tear.
For four years you have tread a path
From dawn to setting sun.
But now the path gets steeper
And the climb has just begun.
We're very glad to know you.
We'll miss you when you're gone.
And to the class of '94
We dedicate our prom.
