We tend to mistake processes for achievements. We tend to focus on activities instead of results. And as the pace of life continues to race along in the outside world, we forget that we have the power to control our lives regardless of what's going on outside."

Marching Band

This year's Mendon Marching Band has participated in three competitions. The band has performed at Marching Band Invitational, and has received a level two rating at the MSBOA Marching Band Festival. They received second place at the Gull Lake Marching Competition, where they also received an award for Best Drumline.

Superman Opener begins the show, featuring trumpet soloist Ariel Bradford and a trombone duet between Courtney Huckendubler and Alex Gifford.

Batmobile Chase features the percussion section in the band's third song.

The band continues their show with Themes from Spider-Man.

The Color Guard ends the show with a bang in the band's final song, XII: X-Men United.

Wei-Chih Lin Taiwan

City-Taipei

Taiwan is a free country and has many mountains. Hong Kong is a big International City. When I am in Taiwan, my main food is rice and we eat Chinese food. When we are here eat fast food and other American food. Taiwan is South of Japan but North of the Philippines. Our government is produced by votes.

Arisa Kongpichetkul Thailand

City-Bangkok

Does not like the cold but loves the freedom that the United States offer. Most people in Bangkok are skinny. Bangkok has many forms of Transportation such as Sky Train, Subway, car, taxi, motorcycle, Tuk-Tuk(the running carts), and the train. The weather in Bangkok is hot all the time.

Front row- Starting from the left- Carmen Lozano, Katie Potts, Arisa Kongpichetkul, Lui Man Wei.

Back row- starting from the left- Pol Olsen, Maximillian Holl, and Wei-Chih Lin.

Katie Potts Scotland

City- Arbroath

She enjoys playing basketball. Katie's hometown is bigger than Mendon. The Climates between Mendon and Arbroath are about the same but it is a lot more humid here. Some unique things about my country are that Men wear Kilts and people play Bag pipes!

Max Holl Germany

City- Altenvers

Loves to play basketball. Wants to come back to go to college later on in his life. People in America are more friendly than people in Germany. Food in Germany is more better for you than the food in the United States. The gas prices in Germany are much higher than here in the United States, so they do not drive as much. I know that I am tall, sorry when you feel small when you're standing next to me.

Pol Olsen Denmark

City- Esbjerg

U.S. Architecture is rather different than in Denmark. I would be so bold as to say that Danish culture is imitating the United States lifestyle but has not completely assimilated. The Danish family usually consist of a wife, a husband, and two children. I like deepfried Meatballs, Liverpate with Bacon and Mushrooms.

Carmen Lozano Spain

I want to stay in Mendon for the rest of my life. Mendon is more interesting than my hometown. I love the people that are taking care of me.

Go Mendon

Lui Man Wai China

City- Hong Kong

Hong Kong is a big international city. I enjoy the United States so much that after this school year I will go back to Hong Kong but come back here to go to Colloge. I had to learn English when I was only in Kindergarden.

07 WRESTLING 08

Get him Nate. Add another win to your outstanding record (regional qualifier)

Justin McIish finished his season as a League Champion, Regional Qualifying, State Qualifying wrestler who worked his way to be the pride of the team this year.

1...2...3...Middlehurst is so good he can do push-ups with opponents on him!!

Here Marvin (285) is playing at the perfect way to stall out. All big dudes rock at lying down.

SIT DOWN!!!! Another win for the Mendon team..

Tim Grim took a first at the League Meet held in Mendon this year, it is an amazing thing that he pulled the it off.

Here's little Dre struttin' his victorious self off the mat. Andre made improvements this season that helped the team a lot.

Here's Marvin A. setting up his all time favorite move...
HEADLOCK!!!

Richmandu S. seen here wrestling in Brandywine is sending this man a mad stiff arm. Richie had a promising year full personal growth.

Yeaahhhh! Kris is so RKA he squats his opponents during his match, so everyone will know he means business.

Bottom Row LtoR: Justin M., Nathan (Block) Bowen, Kris Harden, Jay McClish, Andre Demink,
 Middle Row LtoR: Matt Zinsmaster, D.J. (El Dandito) Foghino, Mighty Max Miller, A.J. Foghino, Jordan Rubley,

 Coaches LtoR: Brent Stevenson (Assistant), Jason Bingaman (Assistant), Head Coach Mr. Art Stephenson.
 Managers LtoR: Emmett Bingaman, Chance Vroman.

This is true Mendon Wrestling, praying upon the defenseless sleepers. All the team does to pass time, is play games when they are at tournaments and meets.

Kris Harden tangling with an opponent who last year frustrated him to the point of obscenity...thus getting thrown from the tournament in the championship round...his opponent from Harper Creek was not so lucky this year.

Jeremy joined with the season already underway, even so, he had a good time with the team. He was a part of the growth the wrestling team has been seeing in recent years, hopefully it continues.

Tim Grimm showing off his newfound skills at making people HURT. As before the success of Tim is a big thing on the wrestling team. It's great to see a freshman come in a just mess people up.

Good ol' Coach Art...he fights the battles that not even we can win. Up above he is telling the ref why he isn't doing his job. Coach was nearly thrown out to wait on the bus...it happens a lot.
